Advance Payment: Rs. _____ / _____%

Second Payment: Rs. _____ / _____%

Final Payment: Rs. _____ / _____%

Final delivery, deployment, source files, admin access, or software activation will be provided only after full payment is completed.

Payment once made is non-refundable after the project work has started.

6 SUBSCRIPTION SOFTWARE TERMS

For AGZUS software products such as ERP, CRM, POS, HRM, LMS, or Project Management Software:

- **Free Demo:** Available
- **Free Subscription:** First 1 Month
- **Monthly Subscription After Free Period:** Rs. _____
- **Renewal Date:** Every month on _____ date
- **Subscription Plan:** _____

If the subscription is not renewed on time, software access may be paused until payment is completed.

The Client receives software usage rights based on the active subscription plan. Source code ownership is not included unless separately agreed in writing.

7 CLIENT RESPONSIBILITIES

- | | |
|---------------------------------|----------------------------------|
| ✓ Company details | ✓ Required approvals on time |
| ✓ Logo and branding materials | ✓ Correct business information |
| ✓ Website or software content | ✓ Payment as per agreed schedule |
| ✓ Product and service details | ✓ Our Gmail ID For DataBase |
| ✓ Images, videos, and documents | |

AGZUS Technology Solutions is not responsible for project delays caused by missing content, late approvals, incorrect information, or third-party delays.

8 REVISIONS AND CHANGES

The project includes _____ rounds of revisions.

Revisions include minor text changes, small design corrections, and basic layout adjustments.

The following will be charged separately:

- | | | | | | | |
|--------------|-----------|----------------------|---------------|-------------------------|------------------------------|---------------------------------|
| 1 | 2 | 3 | 4 | 5 | 6 | 7 |
| New features | New pages | Major design changes | Extra modules | Additional integrations | Changes after final approval | Work outside the approved scope |

Major changes may affect both project cost and timeline.

9 HOSTING, DOMAIN, AND THIRD-PARTY SERVICES

Domain, hosting, server, SMS API, WhatsApp API, email service, payment gateway, cloud storage, SSL, and other third-party services are charged separately unless included in the quotation.

AGZUS Technology Solutions is not responsible for downtime, price changes, policy changes, or technical issue caused by third-party service providers.

10 OWNERSHIP AND SOURCE CODE

- The Client owns the final approved website, app, or software usage rights as per the quotation.
- AGZUS Technology Solutions may reuse common code structures, UI components, development methods, and libraries.
- Source code handover will be provided only if it is clearly mentioned in the quotation or agreement.
- For subscription-based software, source code is not included unless separately agreed.

11 SUPPORT AND MAINTENANCE

Free support period: _____ days after delivery

Free support includes:

- Bug fixing
- Minor corrections
- Basic technical guidance

Free support does not include:

- | | | |
|------------------------|-----------------------------|-----------------------------|
| • New features | • Data entry work | • Business content creation |
| • New designs | • Third-party charges | |
| • New pages or modules | • Server or hosting renewal | |

After the free support period, maintenance will be charged monthly, yearly, or based on work requirement.

12 CONFIDENTIALITY

Both parties agree to keep all business information, login details, customer data, project files, pricing, software details, and documents confidential.

AGZUS Technology Solutions will not share Client data with any third party without permission, except where required for project executions such as hosting, domain, payment gateway, or API setup.

13 CANCELLATION POLICY

If the Client cancels the project after work has started, the advance payment will not be refunded. If additional work has already been completed, the Client must pay for the completed work before receiving any files, access, or deliverables.

14 LIMITATION OF LIABILITY

- Loss caused by wrong information provided by the Client
- Third-party service failure
- Server or hosting downtime
- Payment gateway issues
- Domain expiry
- Client-side misuse of software
- Data loss due to unauthorized access from the Client side
- Business loss caused by delay in approval, payment, or content submission

15 PROJECT APPROVAL AND DELIVERY

After project completion, the Client must review and approve the work. Once the Client approves the project and final payment is completed, AGZUS Technology Solutions will proceed with delivery, deployment, or software activation.

16 PORTFOLIO PERMISSION

AGZUS Technology Solutions may display the completed project, logo, screenshots, or project name in its portfolio, website, and social media for promotional purposes unless the Client requests confidentiality in writing.

17 DISPUTE RESOLUTION

Any dispute will first be discussed mutually between both parties.

If the issue is not resolved, it will be handled under the jurisdiction of Puducherry, India.

18 ACCEPTANCE

By signing this agreement, both parties confirm that they have read, understood, and agreed to the terms and conditions mentioned above.
